EAST BAY LA RAZA LAWYERS ASSOCIATION

Founded in 1978, EBLRLA is the county bar association of Latina/o lawyers in Alameda and Contra Costa counties. Your dues and active membership help the EBLRLA be a strong, visible and essential player in the local legal community.

In addition to our Annual Judicial Excellence and Scholarship Award Dinner, the EBLRLA provides important social, continuing education, networking and marketing opportunities, such as the EBLRLA Membership Directory at www.eblrla.org. Although many services are graciously donated, your dues are important to maintaining the organization's vitality.

In 2010, the EBLRLA will continue its advocacy for increased Latina/o representation in the judiciary and law schools, expanding legal access for the Latina/o community and legal reform that respects fundamental constitutional rights.
